PARISH SUPPORT

OFFERTORY: \$5434.00
Thank you for your continued support and generosity each week to Saint Mary's Parish.

From the Pastor

Over the course of the last few weeks I have mentioned in my Bulletin letters a couple of things that are important enough to repeat again. Just a gentle reminder: 1) Please make an effort to get to Mass on time. There are

still quite a few people who are consistently late in arriving at the church for Mass. 2) We are very lucky at St. Mary's to have several options when it comes to parking. Please use the parking lots instead of parking on the street. This is not simply my request but rather a request from the Foxboro Police Department. Why wait until you get a ticket for parking on the street to consider parking in one of the lots? 3) The walk-way into the new parking lot has been completed. Please use extreme caution when crossing over the driveway. 4) Last week I mentioned a few possible ways for people to take more of an active role at the parish. The summer is not a good time to begin new activities as many people are away on vacation. We will be looking to formulate a Parish Council, Finance Committee and an Anniversary Committee in the early fall. Please consider your willingness to serve the parish in this way.

This weekend we express our gratitude and affection to Deacon Richie and his wife Patti as they leave us to begin a new parish assignment at Sts. Martha & Mary in Lakeville. I want to use this space to offer them on behalf of the entire St. Mary's Community a profound thank you for all they have willingly shared with us during their 4 years of ministry. We offer our gratitude and pledge to remember them in our thoughts and prayers. Thank you both!!

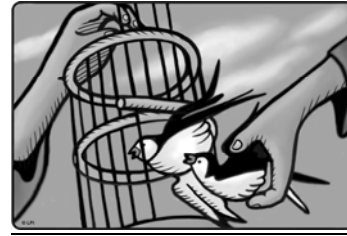

I would like to request in your prayers this week for two of St. Mary's Priest Friends. Both Father John and Fr. Joe Li will begin a new chapter in their lives during this week. Father Joe Li is preparing to return home to China. Father John is getting settled in his new assignment working for the Military Archdiocese in Washington, D.C. They will always both be part of the St. Mary's family and I am sure would appreciate being remembered in your prayers. You may also want to send them a note at some point so I am including their new mailing address.

May God bless you and all those whom you love,

Father Steve

"Are not two sparrows sold for a small coin? Yet not one of them falls to the ground without your Father's knowledge. Even all the hairs of your head are counted. So do not be afraid; you are worth more than many sparrows. Everyone who acknowledges me before others I will acknowledge before my heavenly Father." - Mt 10:29-32
